How To

**Get Your Board
On-board And Aligned**

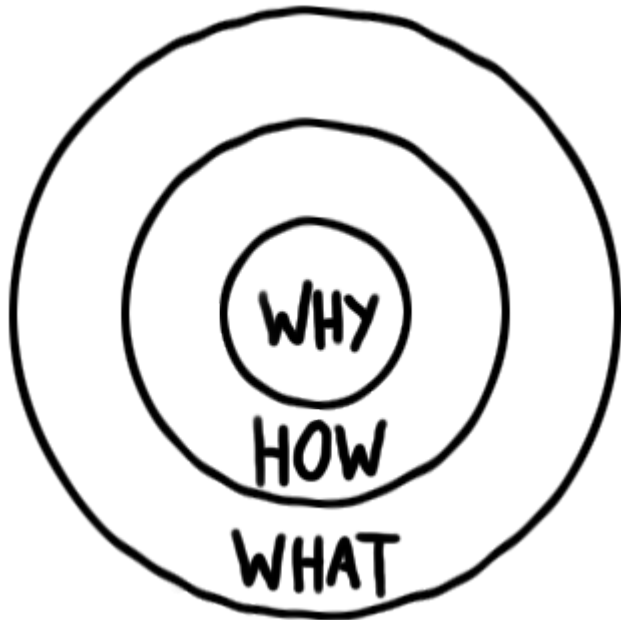

We expect board members to show up

but what we get are human beings.

Start with Why

Alignment starts with knowing what you're aligning to:

- ✓ The board know what success looks like
- ✓ It provides a measuring point for board effectiveness.

The Framework

1 Integrate

2 Activate

3 Motivate

Integrate

- 1** Induction / Onboarding Program
- 2** Board Buddy and Chair Connection
- 3** Clear Expectations

Activate

- 1 Leverage their expertise**
- 2 Ask them how they work**
- 3 Invite them out**

Motivate

1

Know the board members

2

Date the Board

3

**Recognise and celebrate
success**
